

Hidden Histories Society Yukon Board Meeting
Feb 28, 2022.
On Zoom

Present: Charlotte Hrenchuk, Peggy D'Orsay, Lillian Nakamura Maguire, Michael Gates, Paul Gowdie, Karen Routledge

1. CDF Grant:
 - Charlotte wants to remind Paul that we will need to put CDF credit on the panels
 - Everyone needs to keep track of their volunteer hours and dates outside of meetings. Charlotte will keep track of the volunteer hours during meetings.
2. Consulate General of the US:
 - About 4 years ago they partnered with us to show a film about the first Black NHL player; the filmmaker came up.
 - They would like to bring 3 women from Anchorage, two of Asian Heritage. They are an acapella group. Want to bring them up for May 1-2 and are wondering if we would like to partner with them.
 - We discussed this and feel that we are not capable of organizing something for May 1-2. We can help to cross-promote it and possibly contribute something, but we cannot take the lead on organizing an event on May 1-2. Charlotte will let them know.
 - They have a fund for promoting US-Canada relations. We could apply for some money for anything related to that, for example research on some of our profiled people's years in the US. They also gave a museum money for a virtual exhibit.
3. May event:
 - HHSY has been in touch with the JCAY and the CCAY but would need to have a meeting with them soon if we are going to partner on this event. Jasmina Randhawa would like to attend the event.
 - We could also just book the library and have a panel launch.
 - Bob Sung wants to come up and talk about his father if we have an event, and maybe 1-2 other family members would also come. Peggy to contact Bob Sung and ask if he has any dates in mind.
4. Har and Jasbir Randhawa panel draft text:
 - We discussed the draft text and comments received.
5. Next meeting:
