

Hidden Histories Society Yukon Board Meeting
January 26, 2022.
On Zoom

Present: Charlotte Hrenchuk, Peggy D'Orsay, Paul Gowdie, Linda Johnson, Karen Routledge

1. Media inquiries:
 - Peggy did a podcast interview with Karen McColl about the Agees. Should be released in February.
2. Update on Agees text (Peggy):
 - Voted on title and majority voted for "The Agee Family: At Home in the Klondike."
 - Linda did some rewrites to text during the call.
 - Linda will send out final version and deadline for email comments is tonight.
3. Black History Month social media posts:
 - Karen will do BHM social media posts again this year on behalf of HHSY. If anyone has ideas for posts feel free to contact her. Attendees agreed it is fine to share the recent Agee research before exhibit is out.
 - Parks Canada staff also approached Karen about BHM posts. Anyone can share our social media posts. Karen may also give Parks some HHSY info that is relevant to Parks Canada places (e.g. about Alonzo working on riverboats and as barber in Dawson) and will ask that Parks credit HHSY for the research. They will need to get their own permissions from YA if using YA images in their own posts.
 - Karen will ask Yukon Archives about amending this year's YA requests to include social media use. In the future we should ask permission to share on social media in conjunction with exhibits; Karen will ask about what language we can use on YA forms for that.
4. Next meeting:
 - Next meeting is tentatively Friday Feb 4 12-1 on Zoom (if Peggy can attend).
